

Kentuckians with disabilities can make a difference

Join the Kentucky AmeriCorps

*"Everybody can be great, because
everybody can serve."*

-- Dr. Martin Luther King, Jr.

Our Goal...

- is to increase the number of Kentuckians with disabilities who serve their communities as AmeriCorps members or volunteers.

Are you a Kentuckian with a disability who...

- volunteers or would like to volunteer?
- would benefit from community service?
- would like to become an AmeriCorps member and receive an annual living allowance of **\$11,400** and an education award of **\$4,725** for one year of service?

Did you know that...

- people with disabilities are among Kentucky's volunteers and AmeriCorps members?
- new AmeriCorps positions are available each year?
- the National Service Inclusion Project was launched to ensure that people with disabilities who want to serve have that opportunity?
- the Kentucky Commission on Community Volunteerism and Service (KCCVS) currently administers twelve AmeriCorps programs with 270 members?
- the KCCVS employs a disabilities coordinator who can help you maximize your service experience, minimize any adverse effects to other disability resources and guide you through the possibilities of volunteerism?

Join our team and make a difference in your community!
